

Rent the Training Room

CAD training room in Frankfurt – with computers or as a seminar room

Task & goal

- ▶ A training is coming up – but no room with ready CAD workstations.
- ▶ You want to train without keeping CAD PCs, licenses, network and a large screen yourself.
- ▶ You want everything set up and tested on the course day.

Our solution

- ▶ Up to 8 CAD workstations, trainer desk, large screen in Frankfurt.
- ▶ Set up and tested before the course starts.
- ▶ Training by us as an Autodesk Authorized Training Center on request.

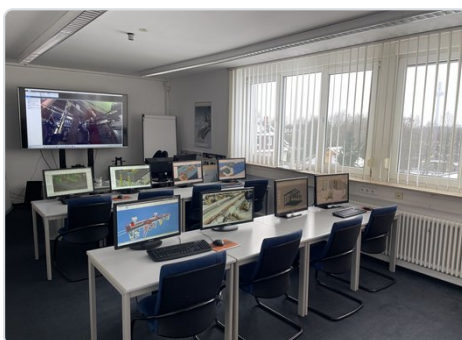

Your advantage

- ▶ **Time saved:** Arrive and start.
- ▶ **Competitive edge:** Your own courses without your own room.
- ▶ **Simpler:** Bookable by the day.
- ▶ **Added value:** Instructor and materials on request.

Training room in Frankfurt – with configured CAD computers or as a seminar room. Up to eight CAD workstations with one screen or six with two screens for AutoCAD, Plant 3D, Inventor, Revit and more, a trainer desk and a large screen over 2 m – or without computers for up to 10 people. Training by us on request.
